

LIGHT & HOPE FOR THE PHILIPPINES

BRINGING THE LIGHT & HOPE OF JESUS TO THE PHILIPPINES

CELEBRATING A BEAUTIFUL STEP OF FAITH

This March, **two children in our Sponsorship Program were baptized.**

When we began supporting children in the Philippines, our mission was never only about providing food, clothing, or school supplies. While those things matter, our greatest prayer has always been that these children **would come to know God.**

Seeing them choose to follow Christ reminds us that our work through **Light & Hope for the Philippines** is about more than helping children survive — it is about helping them discover purpose, faith, and eternal hope.

Moments like this are made possible through the love, prayers, and support of people like you.

Because the greatest gift we can give a child is not just hope for today... but hope for eternity.

A HOME FULL OF HOPE

Thanks to the generosity of one of our sponsors, **a safe and loving home has been built for two Sponsored children.**

For years, the children and their family faced difficult living conditions, but now they have a place they can truly call home — a space to sleep safely, study, and grow in hope.

This home is more than just walls and a roof. It represents **security, dignity, and the promise of a brighter future.** With a stable home environment, the children can focus on school, play, and building the skills needed to thrive.

Moments like this are possible because of donors who choose to invest in a child's life. **Your support does not just change a day — it changes a lifetime.**

What is Child Sponsorship?

Child Sponsorship is a simple and powerful way to change a child’s life through monthly giving. Your consistent support helps provide a vulnerable child in the Philippines with the essentials they need to survive—and the opportunity to truly thrive.

Because of you, a sponsored child receives nutritious food, medical care, clothing, and a Christ-centered education in a challenging environment where many families struggle to meet daily needs. Your sponsorship offers more than assistance—it offers stability, dignity, and hope.

BECAUSE OF YOU, HOPE IS REACHING CHILDREN

Because of your generosity, children in the Philippines are receiving meals, clothing, medical care, **a new home**, and the encouragement they would not otherwise have. What began as an act of compassion from someone like you has become real hope in the life of children. **What may feel like a small act of kindness here is transforming lives across the world.**

But the impact goes even deeper. Through your support, **children are also hearing about the love of Christ and discovering a faith that can guide their lives for years to come.**

Every meal served, every backpack delivered, and every child sponsored is possible because people like you chose to care. The truth is simple: **this mission moves forward because faithful supporters like you choose to care.**

As you read this newsletter and see the lives being touched, please know that you are part of every story of hope unfolding!

Thank you for standing with Light & Hope for the Philippines and continuing to bring hope to children who need it most.
